Welcome Letter

Dear Participants,

Welcome to 2017 4th International Conference on Mechanical, Materials and Manufacturing (ICMMM 2017)! The objective of ICMMM 2017 is to provide a premium platform to bring together researchers, scientists, engineers, academics and graduate students to share up-to-date research results.

We are confident that during this time you will get the theoretical grounding, practical knowledge, and personal contacts that will help you build a long-term, profitable and sustainable communication among researchers and practitioners in the related scientific areas.

We wish to express our thanks to our distinguished speakers, Prof. Brian Vlcek, Prof. Young Moon, Prof. Sergei Alexandrov, Prof. Haijun Gong, Dr. Tawfiq Al-Mughanam, Prof. Ravi Kumar Puli and other distinguished scholars for sharing their deep insights on future challenges and trends in the fields of mechanical, materials and manufacturing.

Hope you could enjoy the conference and have an unforgettable experience in Atlanta!
